

Complaints Policy: February 2021

Introduction and the purpose of this policy:

As an authorised financial services provider (FSP), in line with the FAIS Act (Financial Advisory and Intermediary Services Act) and the General Code of Conduct, we have established a complaints management framework in order to ensure the effective and transparent resolution of complaints and the fair treatment of our clients and/or persons who are dissatisfied with our service, staff or the products we offer.

This document explains the procedure should you wish to complain about any of the services rendered by our business or any of our representative and sets out the process that we will follow in order to resolve your complaint.

How to submit a complaint

Wherever possible please submit your complaint to us in writing. It can be submitted either by hand, post, fax or via email to the contact details that appear below.

The complaint should contain adequate detail regarding the following, to enable us to deal with the complaint promptly and fairly, and allow for a swift response:

- The full name, ID number (or registration number) and contact details of the complainant
- If the complainant is not the client or policyholder, the full name, ID number (or registration number) and contact details of the client
- Policy/claim number
- Specific details about the nature of the complaint, including the necessary facts, dates and supporting documentation where applicable

Our responsibility:

- We will acknowledge receipt of your complaint in writing as soon as possible after it has been received
- The complaint will then be allocated to the appropriate department and staff member to investigate and ensure your complaint receives proper consideration
- You will be informed of the person assigned to handle your complaint, as well as the expected turnaround times and ongoing progress updates in relation to your complaint
- We have the appropriate management controls in place to ensure the consideration process is effectively controlled and supervised, and that complaints can be escalated and reviewed internally
- We will inform you of the results of the consideration
- Where the complaint is resolved in the favour of the complainant, we will offer a full redress to the complainant in a prompt manner
- If the outcome is not favourable to the complainant, we will provide full written reasons for our decision, as well as further steps which are available to the complainant
- As required by legislation we will keep and maintain record of the complaint for five (5) years

If the complaint is not resolved to the complainant's satisfaction:

If the outcome of the complaint is unfavourable to the client, or is not resolved to the complainant's satisfaction, you then have the following recourse:

- Refer the matter to the FAIS Ombud within six (6) months of notification that the complaint could not be resolved in your favour, or within six (6) months of our failure to deal with the complaint
- Refer the matter to the Ombudsman for Life Insurance, if appropriate and within their jurisdiction
